BLAINE NAMES THREE TO PLACES ON BOARD OF PUBLIC AFFAIRS

Parker of Fennimore; Dick of Milwaukee, and Kaiser of Port Washington

MADISON, Wis.—Three appointments to the state board of public affairs were announced by Gov. John J. Blaine on Thursday. They were: Dwight T. Parker, Fennimore; A. C. Dick, Milwaukee; John H. Kaiser, Port Washington. Mr. Parker was born at Fennimore and for many years has operated a farm at Fennimore, Grant county. He is the president of the Fennimore State bank and for several years was a regent of the university. Mr. Dick was born in Milwaukee in 1856. He is a man of large business experience and for many years he has been engaged in the real estate and insurance business in Milwaukee. Mr. Kaiser, Port Washington, was elected mayor of his city in 1914, re-elected mayor in 1916 and was chosen as a member of the commission for the year 1917. He was president of the League of Municipalities in 1920. The tenure of office of these three appointees synchronizes with that of the governor.

These appointees must be approved by the senate and their nominations were sent to that body this morning. It will probably be ten days before they are acted upon. The other members are: The governor, John J. Blaine; Secretary of State Elmer S. Hall, Green Bay; president pro tempore of the senate, Timothy Burke; Speaker Riley S. Young of the assembly, and Chairman Ray J. Nye, Superior, head of the senate finance and assembly finance. The newly organized board will meet as soon as the appointments are confirmed. J. B. Borden is the acting secretary of the board.

PROHIBITION BOON TO THE LUMBERMEN CLAIMS ASSOCIATION

Organization Will Send Representative to Madison to Urge Passage of Matheson Bill

MADISON, Wis.—J. S. Landon, manager of the Medford Lumber company, Medford, Wisconsin, Thursday wrote the dry leaders at Madison saying that resolutions protesting the recent action of the federal grand jury at Milwaukee in petitioning for legalization of beer were unanimously adopted by the annual meeting of the Northern Hemlock Hardwood Manufacturers' association at its annual meeting in Milwaukee, and the president was instructed to name an official representative to appear at the public hearings and urge passage of the Matheson bill, No. 16-A.

The association took exception to the jury's plea that prohibition had injured logging operations. Many told of its benefits to their camps and the homes of their employees. One said it had increased bonuses to the men because they lost less time. Another, "We do not favor the return of liquor, whether it be moonshine or just beer and wine; if we open the gate all will come in." Another said, "Prohibition is better enforced the first year than I had hoped. If it is completely observed in a dozen years, we shall do well. As experience shows, loop holes we must plug them."

The association numbers over 100 firms, mostly in the state and a few in the northern Peninsula of Michigan.

BILL ASKING RAISE FOR TEACHERS PUT OVER INDEFINITELY

Committee Recommends Postponement of Measure for \$100 Minimum Wage

MADISON, Wis.—Hopes of Wisconsin school teachers for a minimum wage of \$100 a month, \$25 above the present scale, were dismissed late Wednesday when the senate committee on education and public welfare recommended indefinite postponement of Senator Kiehl's minimum wage law.

Superintendent C. P. Cary, appearing before the committee, declared it was impossible to obtain sufficient competent teachers under the present wage conditions. He recommended consolidation of small rural schools, and better salaries for the teachers retained.

Senator Hirsch's bill for the weekly payment of wages, which is supported by the American Federation of Labor, was laid over by the senate state affairs committee and will be taken up later. A bill by Senator Moran for a closed season on otter and beaver also was deferred to a later date. Senator Keokuk's bill regulating the licensing and practice of optometry was recommended for passage.

The assembly state affairs committee approved Assemblyman Grandage's bill to detach a portion of the town of Commonwealth in Florence county.

ELAINE HAMMERSTEIN

AT THE MAJESTIC
Elaine Hammerstein, more charmingly gowned than ever and cast in a role that exactly suits her personality, opened at the Majestic theater today in her newest picture, "The Point of View."

Elaine Hammerstein shattered the time honored maxim that a woman cannot be really beautiful and really emotional at the same time. In "The Point of View" she has a role that calls for every shade of feeling ranging from lighter moments to the dismay of a misunderstood wife whose motives for marrying are questioned by the husband she loves. The story is absorbing and the suspense has been skillfully handled by the director.

The picture will continue its run for the next two days.
Other features upon the bill are movies of the La Crosse winter carnival and parade and vaudeville, the Queen City Trio and Stephens and Stephens in a novelty musical burlesque. Miss Stephens was formerly Miss Sadie McKirick, daughter of Mrs. E. B. McKirick.

"MERELY MARY ANN"—RIVIERA
Israel Zangwill's famous play "Merely Mary Ann," produced as a motion picture by Fox Film corporation with Shirley Mason as the star, will begin an engagement at the Riviera theater today.

The role of the young "slavery" in the London boarding house is admirably suited to Miss Mason's dainty quaintness. The play owes its success on the stage to its delightful blending of humor and pathos, and the force of every situation is intensified in the film version.

Miss Mason is expected to overtop the success she made with "The Elusive Man," "Love's Harvest" and "The Little Wanderer." She is supported by an exceptional cast, containing such well known players as Casson Ferguson, leading man; Harry Spindler, Georgia Woodhorne, Mable London and "Keopie" Moran. Motion pictures of the carnival parade will be shown on Sunday.

RIVOLI FILM SPECTACULAR

things which has been viewed for some time past. Replicas of both the interior and exterior of St. Mary's church in London were constructed for the big wedding scenes, and many sumptuous English society functions were staged. These include a house party, a lavish garden fête and a gorgeous carnival dance. The interior of the famous hotel at Monte Carlo was also duplicated for certain scenes in the honeymoon sequence. A big landslide is another detail that adds zest to a stunning storm scene.

When a Millionaire Marries An Actress—

THERE is usually one of two results—a divorce within a year, or a life of bitter quarrels, suspicion and disillusion; for the love of money and the love of admiration are poor foundations on which to build even a "modern" marriage.

"THE FURNACE" is the story of such a marriage, and the "furnace" was the hell-fire which the souls of these envious and yet unhappy people were compelled to pass before the dross of convention, jealousy and misunderstanding had been burned away.

No one, married or single, should miss this powerful picture.

SAMUEL M'KOWN IS 95 YEARS YOUNG AT CELEBRATION PARTY

UPON THE ANNIVERSARY of his ninety-fifth birthday on Wednesday, Mr. Samuel McKown, familiarly known as Sammie McKown, was guest of honor at a dinner party which was given by his son and his wife, Mr. and Mrs. W. B. McKown, 122 South Seventh street. The table was prettily laid with a dainty fern on a shiny cloth centering it, and featured by a beauteous birthday cake, which was illuminated by "eighteen" tapers in a variety of colors. The name cards were birds. Fourteen places were laid, only relatives being present. The other guests were Mr. and Mrs. John Lyden, Ruth, Paul and Donald Lyden, Mr. and Mrs. H. H. Hoeft, Mr. and Mrs. David McKown of Prairie du Chien, Miss Stella Hill and Mr. Myron McKown.

A number of old acquaintances called during the day to recount happenings of past years and offer congratulations and good wishes for many happy returns of the unusual day. Mr. McKown also was showered with flowers, fruit, merriments and congratulatory letters. Mr. McKown is in remarkably good health. He goes down town occasionally and takes a keen interest in reading the newspapers. He is a native of Ireland and has resided in and about this city for sixty-six years, previously residing on a farm near Salem.

OIL LIGHT BEATS ELECTRIC OR GAS BURNS 94% AIR

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the United States government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal-oil).

The inventor, H. O. Johnson, 609 W. Lake street, Chicago, Ill., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. DON'T SQUEEZE BLACK-HEADS—DISSOLVE THEM

Squeezing and pinching out black-heads make the pores large and cause irritation—then, too, after they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of calomel powder—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—wash off and you'll be surprised to see that every black-head has disappeared, and the skin will be left soft and the pores in their natural condition. Anyone troubled with these unsightly blemishes should try this simple method.

MILWAUKEE ROAD OFFICIALS HERE FOR EXAMINATION

A number of officials of the Chicago, Milwaukee and St. Paul railroad will arrive in the city today to hold an examination of the employees in La Crosse on the standard rules which must be observed in connection with the operation of passenger and freight trains according to announcement at the yard master's office Wednesday afternoon.

It was said that the delegation to the city today would include the following: Superintendent of the La Crosse division, W. C. Bohn, trainmaster, Hackett, Scott, Winton, Scofield and other minor officials of the La Crosse division.

The employees of the road are given this examination twice every year, it was said.

EMERGENCY TARIFF MEASURE BELIEVED DOOMED IN SENATE

WASHINGTON.—The Fordney Emergency Tariff bill, surviving a day of jockeying Wednesday, still was lingering before the senate Thursday, although chances of the measure ever coming to a final vote had been reduced to uncertainty by the overwhelming defeat of the cloture resolution which reopened the gates for another flood of oratory.

Obituary

MRS. JOSEPHINE LA FLEUR, 32, wife of Ben La Fleur, living on the North Salem road, died Tuesday night at midday. She is survived by her husband, a two-months-old son, a stepdaughter, mother, two sisters and a brother.

The funeral will be held Saturday afternoon at Rushford, Minn., where interment will be made.
BURTON B. BAILEY, 1444 California street, died Wednesday night at 7 o'clock at his home, 1444 California street, the cause of death being a complication of diseases. Mr. Bailey was born in Akron, Ohio, July 18, 1881. He leaves a widow and two sons, Lawrence and Morris, of this city, and one sister, Mrs. James Dibble, of Baraboo.

Funeral services will be held Friday evening at 7 o'clock. Rev. J. H. Benson will officiate. The remains will be taken to Baraboo for burial Saturday morning.

SIGNS OF SPRING

Maybe he was paying a belated attention to her.
Or else maybe he was defying Uncle Groundhog who saw his shadow yesterday and ducked back into his hole.

But a man, wearing a panama hat, sport shirt and carrying his coat on his arm was seen at Seventh and Tyler streets.

What do you make of it? Sign of spring?

FUN FOR WOMEN TO "DIAMOND DYE" OLD THINGS NEW

Add Years of Wear to Faded Garments and Draperies for Few Cents
La Crosse women can do wonders with a package of Diamond Dyes. An old, worn coat, skirt, waist, sweater, kimono, dress, or faded stockings, gloves, draperies, portieres, chair covers—anything, whether wool, silk, linen, cotton or mixed goods, can be diamond-dyed to look like new. Easy directions in each package guarantee perfect results. Druggists have Color Card showing actual materials diamond-dyed in a wondrous range of rich, fadeless colors. Don't risk your material in a poor dye.

STATE HOSPITAL FOR SOLDIER SUFFERERS PROPOSED BY HUBER

MADISON, Wis.—A \$500,000 state hospital for the treatment and care of suffering or disabled soldiers, is proposed in a bill to be introduced in the legislature by Senator Henry C. Huber, Dore county, Thursday.

Senator Huber's bill will call for the selection of a commission to select a site and superintend the construction of a hospital, to be known as the Wisconsin Memorial Hospital for Shell Shocked Soldiers.

The commission will consist of three members, representing the Service Recognition board, the Board of Control and the state engineering department. It will decide where the hospital will be located and will direct its construction. The sum of \$500,000 will be asked.

Wisconsin's Share
This undertaking, according to Senator Huber, is to represent Wisconsin's part in making what has been termed as the "national scandal" of the lack of provision for taking care of the most unfortunate of all the war's participants, those who are breaking down under the effects of their service.

At Mendota, where the state is taking care of its shell shocked veterans, there are more than 100 men. They are being given the best attention possible under the crowded conditions and amid surroundings not congenial for the treatment of their ailments.

From statistics collected by the Service Recognition board there are at least 600 former service men in the state now in urgent need of attention, being near the breaking-down point mentally.

A careful survey by the board has brought to light hundreds of cases where veterans are beginning to show the harrowing wear and tear of their service overseas.

Facilities Inadequate
Present facilities are miserably inadequate. Cases are constantly developing and demanding attention that can be given only partially.

Senator Huber's bill will be one of the biggest pieces of legislation to be introduced in the senate. Women's organizations, service men, parents and relatives of service men are behind the proposal.

The state of New York, at a special session of the legislature recently appropriated \$3,000,000 for the erection of an institution such as is provided for in Senator Huber's bill.

FORMER MINNEAPOLIS CHIEF OF POLICE TO LECTURE ON MONDAY

Plans have been completed for the lecture by Lewis Hartzhill, former chief of police of Minneapolis, in the La Crosse theater next Monday evening.

Mr. Hartzhill was chief during the administration of Thomas Vail, first socialist mayor of that city. The lecture is being given under the auspices of the Trades and Labor council.

Mr. Hartzhill will speak on "Vice and Crime: Cause and Prevention." The talk will be illustrated with still pictures taken of dens, resorts and criminals in Minneapolis when Mr. Hartzhill was chief.

CAFETERIA RECEIPTS AT Y. W. C. A. GIVEN TO EUROPE RELIEF

The sum of \$58.00 was realized at the Tuesday noon cafeteria at the Y. W. C. A. to be contributed to the relief funds of European starving. The local association joined with other associations of the United States to observe February first as European relief day.

FUNERAL SATURDAY FOR FRANZ BENDEL WHO ENDED OWN LIFE

The funeral of Franz Bendel, who ended his own life on Wednesday, will be held Saturday at 1 p. m. from the residence, 907 Jackson street. Interment will be in Oak Grove cemetery.

Mr. Bendel was a resident of La Crosse for many years. He was born in Guentersdorf, Austria, Feb. 14, 1855. He spent 31 years in his native land, 11 years being spent in military service. In 1891 he married Francis Ratschke, coming to the United States in 1896, settling first in Climpunk coulee, and coming to La Crosse in 1897. His only son, Frank, died when 24 years old, and his daughter-in-law followed eight years later. Mr. Bendel was known as "Grandpa Bendel" to scores of people and he was liked by all. It was the continued infirmities of old age, hardening of the arteries and blindness that forced him to end these miseries. He is survived by his aged widow, one grandchild, Elsie Bendel, two brothers, Jacob and John, and three sisters, Mrs. T. Heckel, Mrs. Clara Grams and Mrs. Anna Briedel of Mormon coulee.

20 DAYS IN JAIL FOR STEALING TRAIN RIDE ON MILWAUKEE ROAD

John Galvin, who says he lives in North Dakota, was sentenced to 20 days in jail Wednesday afternoon by Judge Brindley for stealing a ride on a Milwaukee train. Galvin said he was beating his way home from Chicago. He had a revolver when arrested. Galvin told the judge that he intended to sell the weapon should he need money to buy food.

NORTH SIDE LEAGUE HOLDS MEETING ON TUESDAY EVENING

The North Side Progressive league held its regular meeting Tuesday night at which time it was decided to hold the annual banquet of the organization on February 22.

A committee was appointed to arrange for the banquet and it was also voted that another committee should be appointed to arrange for dates for steamboat excursions during the summer.

Among matters mentioned by members of the organization during the meeting was the success of the carnival and a resolution was passed to extend a vote of thanks to all those who took part in the parade to the north side last Friday evening. It was agreed that the organization would better prepare itself for participation in the events next year providing the grain show is held in La Crosse.

REPORT SUBSTITUTE PLAN TO REGULATE PACKING INDUSTRY

WASHINGTON.—Favorable reports were ordered Thursday by the substitute plan for the senate bill for federal regulation of the meat industry. Under the substitute control of meat packers would be vested in the department of agriculture and stock yards be placed under the interstate commerce commission.

The committee voted to ask for a special rule to expedite the legislation in the house.

The senate bill was kept intact by its house committee proponents until the \$75,000 item for expenses of the federal livestock commission it would create was reached. Attention was then called to the rule that appropriations must originate in the house and the house sub-committee plan was substituted for the senate measure. The committee voted 11-10 to ask for a special rule in the house.

FIRE IN CONTROLLER OF NORTH SIDE CAR THURSDAY MORNING

A fire started in the controller of one of the north side life street cars in the 700 block on Rose street shortly before 11 o'clock Thursday morning, according to a report from the station at noon today.

The alarm was answered by No. 1 station on the north side. The controller box was damaged to some extent, necessitating the cars being led into the repair shop.

SIX ARE KILLED IN SINN FEIN ATTACK

SKIBBERDEN, County Cork, Ireland.—Six members of a party, said to number several hundred Sinn Fein men, were killed and several wounded in an attack Wednesday night upon a detachment of five police between Burgage and Jodaberry, according to police reports. The attacking party was beaten off after a fierce fight, abandoning a quantity of ammunition.

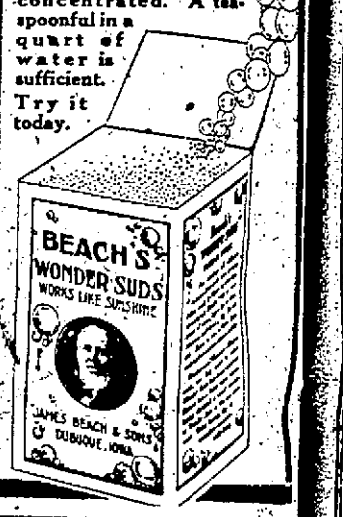

The police sustained no casualties.

OUCH! RUB BACKACHE, STIFFNESS, LUMBAGO

Rub Pain From Back With Small Trial Bottle of old "St. Jacobs Oil."

Back hurt? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness, and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Linger up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty: Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache, no struggling for breath at night.

Get a small bottle of Ely's Cream Salve from your druggist and apply a little of this fragrant antiseptic cream to your nostrils. It penetrates through every air passage of the head soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Dr. Drake's GLESSCO

For Coughs, Colds and Croup

The quick gasping cough of croup is something that every mother dreads. It comes in the dead of night when medical assistance is hard to obtain. That is why Glesco has been a household article in millions of homes for forty years. It gives immediate relief. In fact Glesco is the only preparation which can give relief from croup in fifteen minutes without vomiting.

Careful mothers everywhere depend on Glesco. It does not upset the delicate child's stomach, and carries the offending substance right out of the system.

All druggists sell Glesco in 50c bottles. It is worth ten times as much in time of need.

HIGH PRICES LAID TO SPECULATION IN TALK BY GOVERNOR

Blaine Urges Elimination of
Boards of Trade and Broker-
age Concerns

MADISON, Wis.—Speculation and
lack of proper credit facilities were
declared to be the important factors
which cause a great breach between
the market price of commodities paid
by consumers and the price received
by producers in an address of Gov-
ernor John J. Blaine delivered Thurs-
day morning before the "get-together"
or market conference here.

Boards of trade and brokerage con-
cerns were pointed to by the govern-
or as the main instruments of specu-
lation which should either be pro-
hibited or regulated by state and fed-
eral government.

"My experience has taught that
these two agencies are responsible for
the long and tortuous road from the
farm to the table," he said. "The
speculative element has wrought hav-
oc in the consumer and the producer
alike."

Creation of a system of credit ex-
pansion through state banks, supple-
mented by co-operative banking, was
suggested as a means of stabilizing
industry and of preventing the fluctu-
ations in prices which were declared
to be detrimental to both producer and
consumer, and to society at large.

Pointing to the fact that price
changes often result in flooding the
market with products, Governor
Blaine said that this "often enhances
the power of the speculators, especial-

ly when they control the storage and
distribution of food products and they
alone have a monopoly of storage and
distribution facilities, with the result
that the consumer derives no benefit."

SPARTA CONDENSORY IS NOW MANAGED BY C. LEMMEL, CASHTON

SPARTA, Wis.—The Sparta Con-
densory has gone under new manage-
ment. Carl Lemmel, formerly man-
ager of the condensory at Cashton,
has taken over the work here in Spar-
ta. Ed Jenkins, who has been in
charge, has been transferred to the
sales department of the Interstate

Milk company and will travel from
the main offices at Madison. The
change went into effect on February
1st.

The county state road and bridge
committee will meet in Sparta Febru-
ary 17 and 18 to hire patrolmen for
the different highway lines for the
coming season. Patrolmen for the
state trunk highways will be hired
the first day of the meeting, and those
for the county highways, on the sec-
ond day. All who desire positions as
patrolmen should send in their appli-
cations as soon as possible, and those
wishing positions in the state work,
must be in the commissioners' office
at the court house Thursday morning,
February 17, at 10 o'clock, and those
wishing work on the county highways
be at the office of the commissioner,
Charles Millard at 10 o'clock Friday
morning, February 18.

The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various
preparations, all of which are narcotic, is well known. Even in the
smallest doses, if continued, these opiates cause changes in the func-
tions and growth of the cells which are likely to become permanent, causing
imbecility, mental perversion, a craving for alcohol or narcotics in later life.
Nervous diseases, such as intractable nervous dyspepsia and lack of staying
power are a result of doing with opiates or narcotics to keep children quiet
in their infancy. The rule among physicians is that children should never
receive opiates in the smallest doses for more than a day at a time, and
only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrups and
other narcotics to children by any but a physician cannot be too strongly
decried, and the druggist should not be a party to it. Children who are ill
need the attention of a physician, and it is nothing less than a crime to
dose them willfully with narcotics.

Castoria contains no narcotics if it bears the
signature of Chas. H. Fletcher.

BREWER PIN MEN LEAD IN DOUBLES AT STATE TOURNEY

Schaub and Woodbury Hang up Games of 605 and 620 in Taking Lead

MILWAUKEE, Wis.—G. Schaub and F. Woodbury did some of the best shooting of the 1921 Wisconsin state bowling tourney Wednesday afternoon, when they took the lead in the doubles event with a total of 1,225.

Woodbury whom opponents have branded as being one of the old timers, sprung a big surprise, and with his partner, Schaub, probably clinched first money in the two-man event.

First Game Poor
The first game went bad for both these stars, Schaub getting 160 and Woodbury 181. In the second they both managed to score over the 200 mark. In the third and last game both shot exceptionally well and the pins dropping in great style, managed to turn in a 466 count for this game.

That Woodbury's shooting was consistent is proven by the fact that after he had rolled his high mark in the doubles, he came right back and scored 610 in the singles. Adding these scores to his mark of 565 rolled in the team events, he goes into second place in the all events with a score of 1,735.

Only One Error
In bowling their high game in the doubles, both Woodbury and Schaub had just one error each. Two hard back splits were also marked up by both of them and these helped keep down the count which might have been even higher.

Stock brothers managed to run off a 2,752 score in the team events on the 6 o'clock shift. This was one of the highest scores rolled up until the evening squads took the drives.

RICKARD TO BUILD LARGE ARENA NEAR N. Y. FOR TITLE GO

Plans to Arrange Prices Within the Income of Every Fight Fan; Plans Open Stage

NEW YORK.—According to Tex Rickard, the proposed Dempsey-Carpenter bout will be held right in New York. The big promoter, who now has shouldered all responsibility for handling the match, announced his plan to build a great open-air arena adjacent to Manhattan, seating 50,000. He plans to arrange the prices within the income of all fight fans, and will within the regulations prescribed by the boxing commission.

Incidentally, the Dempsey-Willard contest has been postponed until the 10th day, Sept. 5. Several stars have been inspected by Rickard and he hopes to begin work immediately, but when the most advantageous spot is found, an outlay of \$75,000, Rickard thought, would put the arena in operation by next June.

Jack-Georges to July 2
The Dempsey-Carpenter bout will go on July 2, as per original schedule, and Tex said that it is proposed the winner will meet Willard.

Jess Willard wired Rickard today that any arrangements Rickard makes for a match with Dempsey or Carpenter will be satisfactory, and he further agreed he would box on a per day basis. Jack Kearns, manager of Dempsey, also conferred with Rickard and reiterated his willingness to gamble on the percentage basis.

In discussing the proposed arena, Rickard said he would hold all the title battles he could arrange for in the arena. The prices of admission would range from \$1 to \$15.

"BLACK SOX" MAY BE PUT ON TRIAL IN THREE WEEKS

CHICAGO, Ill.—It is possible, according to information received yesterday from the state's attorney's office, that the indicted White Sox ball players will be placed on trial within two or three weeks. State's Attorney Robert E. Crow stated that after a consultation with Assistant State's Attorney George Gorman it was decided to prepare the case against the players at once.

Gorman was placed in charge of the baseball case last fall, but has been kept busy on other cases. It is the intention of the chief to relieve Gorman of other cases as soon as he finishes one now being tried. Within a few days the date may be set for the appearance of the baseball men.

ED LEWIS AGREES TO BAR HEADLOCK FROM MAT BOUTS

NEW YORK.—Ed, "Strangler" Lewis, champion heavyweight wrestler, has consented to discard the headlock, the punishing hold which gained him the title. Lewis and his manager, Billy Sandow, have assured Charley they are prepared to discontinue the hold because of the public objection to its use.

Just to show there is no feeling of fear of the headlock by one big fellow, Tex Rickard tonight issued a challenge to Lewis on behalf of Martin Bestina, who offers to permit Lewis to use his favorite hold.

NORMAL AND HIGH SCHOOL BASKETBALL TEAMS PLAY OUT OF CITY THIS WEEK

HIGH SCHOOL PLAYS RETURN GAME WITH PRAIRIE DU CHIEN

STOUT INSTITUTE AND EAU CLAIRE NEXT FOR NORMAL

Expect Hard Battle With Down Staters on Return; Two Regulars Graduate

The hottest contest of the season's basketball schedule is facing Coach Meade's warriors Friday night when they are scheduled to appear at Prairie du Chien for a return game. The battle here several weeks ago, resulted in a La Crosse victory by a substantial score but the story of the game leaves the impression that the down-staters were not so bad after all, and when a game is played on their floor, there is every indication of a hard fought contest.

The down-staters, the first to score in the game, held the lead for a short while, but were unable to break through the strong defense made by Edgar Stucke and Sullivan. Now, with both of these men graduated, it is unlikely that they will be able to guard their goal as closely as when these two were in the line. The five-man defensive machine, their smaller floor will possibly prove a disadvantage to the local players, and a consequent advantage to Prairie du Chien.

A long distance telephone message to Coach Meade Wednesday morning from Richard Center, invited the local scrappers to a game at that city Saturday night. It is probable that the game can be arranged. Nothing is known here of their strength, but it is probable that they have a good record.

The National Gauge bowling team won three straight from the Vello for which the local alloys Wednesday night. Stuka rolled 200, 187 and 140 for the Gauge team.

The Independents won three straight from the La Crosse club team. Warringer rolled high total for the Independents hitting 197, 157, and 191.

Y. M. C. A. TOSSERS TROUNCE GALESVILLE LEGION TEAM HERE WEDNESDAY 22 TO 12

In one of the roughest games seen on the Y. M. C. A. floor this season, the senior team at the institution defeated the American Legion aggregation from Galesville, Wednesday night. The score was 22 to 12.

Galesville started the scoring in the game when Swenson caged the first basket, further followed with one for the locals after about four minutes of hard battle. While both teams played a strong defensive game it was easily seen that the defense of the "Y" team was better organized, resulting in many of the Galesville counts being made from long distance.

Although the first half of the game was considered rough by the spectators in the gallery, it seemed, as the game progressed, the slower and rougher it became. The Galesville aggregation tightened their play in the second half and for the majority of the second period, the local team held but a two point marginal lead over the visitors. It was during the last five minutes that the "Y" team sprang up and came through with the lead with which they finished at the end of the game.

Throughout the first part of the final period the locals were beset with hard luck in shooting while Galesville at the same time was attempting long shots with little success. For these reasons the game went along for a time without a score for either team.

The preliminary between the Mercury and the Business Boys seconds, which was won by the latter, proved to be of a style that is rarely seen among the little amateurs. The Business Boys seconds, given good training at the hands of the Business Boys team, put up a neat, consistent game of ball, winning by a score of 23 to 17.

Lineups:
Galesville.—C. Klamrud and L. Klamrud, forwards; Swenson, et Sauer and E. Swenson, guards.

La Crosse.—Gerber and Nykas, et Elder and Zosler, forwards; Little and Renner, guards.

Caledonia Here Friday
E. C. Gerber, director of athletics at the "Y" announced that the Caledonia American Legion team will be in the city for a game with the local "Y" team on Friday night. The Caledonia team is reputed to have a strong lineup, having defeated a La Crosse team several weeks ago by the decisive score of 65 to 5.

MILWAUKEE, Wis.—The Carroll college basketball team, whipped the Milwaukee Normal school team Wednesday night at the local gym by a score of 22 to 12. Carroll secured an early start and was never headed after the opening whistle. The first half ended 12 to 6 in favor of the visitors.

ABOLISH PLYMOUTH CHEESE BOARD PLEA OF BADGER FARMERS

MADISON, Wis.—Legislative gossip is to the effect that a bill may be introduced in the lower house within the next few days for the abolition of the Plymouth cheese board.

It is claimed by some of the farmers who are interested in cheese factories that the Plymouth cheese board keeps down the price of cheese milk to the farmer during the summer months and during the winter raises the price of the cheese which has been manufactured from low priced milk. It is claimed that farmers interested in the Wisconsin Cheese Federation, one of the largest concerns in country, believe that the cheese board at Plymouth should be abolished as a price fixing concern.

ANNULMENT ASKED BY HUSBAND; REMARRIED TOO SOON, HE SAYS

Albert R. Callahan is seeking to have his marriage to Eleanor Callahan annulled, according to a complaint filed in circuit court. Callahan alleged his first wife, Ruby Walker Callahan, was granted an interlocutory decree of divorce in Milwaukee October 14, 1918, that it was granted by default, that he was not present in court at the time the divorce was granted and did not know the decree was not effective for a period of one year. Callahan says he married Eleanor Callahan in Bessemer, Mich., February 1, 1917.

MARKET IS LOWER

Stocks Extended Lower of Wednesday: Daily Falls to Hold

NEW YORK—The stock market Thursday was influenced mainly by prospects of higher rates for money, call loans repeating Wednesday's opening quotations of eight per cent. Oil, steel, copper and minor specialties, including Coca Cola, also yielded. A rally led by Texas and Pacific and Industrial Alcohol effected recoveries of 1 to 1 1/2 points in General Asphalt, Mexican Petroleum and Atlantic Gulf. The rebound was of short duration, however, the list falling back again before noon.

Pressure against speculative shares was resumed at 12 o'clock and the stock market session, the stiffer money tendencies having further selling for both accounts. Oil was again the heavy feature with steel and specialties, the latter including mail order shares, General Asphalt, Mexican Petroleum and Royal Dutch lost a point or more in the first few sales, and General showed a decline of 2 1/2. Scores-Rock added moderately to its steady advance of 1 1/2 points since Wednesday's strongest stock reaction. Exchange on London was inclined to ease.

WHEAT IN SET-BACK
Early Rally Falls to Hold and Prices Go Below Wednesday Close

CHICAGO, Ill.—Putting a dam on the use of Argentine quotations here Tuesday Thursday to give an advantage to bulls in the wheat market, the effect failed to last. Notice of a bank-ruptcy in the New York hour had a depressing influence here, too, the absence of any important investment demand. On the other hand, there was considerable selling on the part of Wednesday's buyers. Opening quotations which varied from unchanged figures to 1 1/2c higher with March \$1.55 1/2 to \$1.57 and May \$1.45 1/2 to \$1.47.

SUBSTITUTE INCOME TAX BILL OFFERED BY SENATOR CONANT

Provides for Raising of Sixteen and a Half Millions in Additional Taxes

MADISON.—Outstepping the administration's surtax bill, known as the Severson tax measure, which was considered the most drastic step in tax reform when presented in the senate last week, Senator John Conant, Westfield, independent progressive, offered Wednesday a substitute which would raise instead of \$6,000,000 as provided by the Severson bill \$16,500,000 by the surtax system.

Conant, in his substitute measure, lowers the Severson \$5,000 exemption to \$2,000 and raises the Severson maximum of 6 percent tax on \$12,000 to 10 percent tax on \$10,000 and over.

The Conant bill is considered by far a more complete and equitable tax measure. The sum of \$16,500,000, which its sponsor says, this bill will raise if put into operation, would be used for educational and good road purposes.

The two income tax bills will be given a hearing by the judiciary committee of the senate on February 10th. Senator Conant announced Thursday, so that all interested parties may have a chance to be heard in a week's announcement of the hearing was made. Manufacturers from all sections of the state are expected to be present.

Limits Changed

The difference between the original Severson bill and the Conant substitute is in the maximum and minimum limits of the income taxes. The

"DANDERINE"

Girls! Save Your Hair! Make It Abundant!

Immediately after a "Danderine" massage, your hair takes on new life, lustre and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to fluff and thicken. Don't let your hair stay lifeless, colorless, plain or scraggly. You, too, want lots of long, strong, beautiful hair.

A 55-cent bottle of delightful "Danderine" freshens your scalp, checks dandruff and falling hair. This stimulating "beauty- tonic" gives to thin, dull, falling hair that youthful brightness and abundant thickness—All druggists!

STOMACH O. K.

Indigestion, Acidity, Sourness and Gases ended with "Pape's Diapensin"

Millions of people know that it is needless to be bothered with indigestion, dyspepsia or a disordered stomach. A few tablets of Pape's Diapensin neutralize acidity and give relief at once.

When your meals don't fit and you feel uncomfortable when you bricb gases, acids or miso sour undigested food. When you feel lumps of indigestion pain, heartburn or headache, from acidity, just eat a tablet of Pape's Diapensin and the stomach distress is gone.

The cost is so little. The benefits so great. You, too, will be a Diapensin enthusiast afterwards.

principle is the same. The administration bill will raise considerably less than the Conant bill and is claimed by Conant to be not as equitable as his measure.

Conant's substitute bill will come to the judiciary committee. A hearing of the two tax measures will be had next week.

One much discussed angle of the Conant bill is the reduction it is said would accrue to taxes on property. It is claimed Conant's bill would place the burden of surtax on those capable of paying, making the tax more equitable.

The Severson bill exempts all incomes up to \$5,000. Two percent tax

is fixed against \$8,000 incomes, and so on up until, on incomes of \$12,000 and over, a six per cent tax is assessed.

System of Rates

The Conant surtax bill takes in individuals, corporations and companies of all kinds. The following system of rates is contained in the measure:

On the third \$1,000, or any part thereof, one-half of one per cent; on the fourth \$1,000, or any part thereof, one per cent; on the fifth \$1,000, or any part thereof, one and one-half per cent; on the sixth, two per cent; on the seventh, two and one-half per cent; on the eighth, three per cent;

on the ninth, three and one-half per cent; on the tenth, four per cent; on the eleventh, five per cent; on the twelfth, six per cent; on the thirteenth, seven per cent; on the fourteenth, eight per cent; on the fifteenth, nine per cent; on the sixteenth, ten per cent; on all net income in excess of \$10,000, ten per cent.
